# TYPOGRAPHY

## Primary typeface

The typeface used for Q-Park's Brand Identity is Futura T. This typeface must be used for all communication. We use:

- I Futura T 11pts
- I Line spacing 1.5<sup>1</sup>
- I Futura T Demi for emphasis.

Futura T makes an efficient and clear impression. The design principles are non-decorative; it is a business-like, easy to read, no-nonsense typeface. If it is not possible to use Futura T, use Arial.

### Futura T

Note: Only Futura T, Futura T Demi and Arial are permitted.

In all Q-Park expressions, whatever the medium, the word and letter spacing may not be adjusted in any way, nor may the letters be widened, narrowed, skewed or modified.

Do not use **bold in Futura T** for emphasis as this variant of the typeface does not space evenly. Instead use the Futura T Demi typeface which is naturally 'bold'. The

following visual shows the alignment differences (the bold number jumps too far to the left and is no longer aligned with the others), this may be confusing for readers, especially when tables become more complex.

For emphasis in running text, you may use *italics* or **Futura T Demi**, however, do not underline text that will be read online or on screen because underline is reserved for links.

The secondary brand typeface is Arial 10pts and is used for:

- I Documents which are sent in digital form to third parties;
- I When Futura T is not available on the computer.
