Using abbreviations

- I When using these terms and abbreviations always add an explanation and put the abbreviation in brackets, then you can use the abbreviation in your text.
- I When writing for a website or report, repeat the full term at the start of an article, section or chapter, as the reader may be jumping in without having read the previous explanation.

You will find a list of abbreviations including their meaning and use within Q-Park in the Q-Park terminology section.

Gender sensitivity

We use gender-neutral and gender-inclusive language. So, when referring to individuals use the 'singular they' (they/them/their) or similar device in your language, such as a general plural.

We use gender a neutral form for professions and professionals.
