Continuation sheet

Only the master logo in black and red is placed in the upper right-hand corner. Paper, logo, typeface and line space are identical to the letterhead.

Envelopes

The EA5 envelope is the basis for the format and positioning of logo and address. Q-Park prefers window envelopes as this means the envelope does not have to be addressed separately and so prevents errors being made with mailings.

Positioning of the Q-Park logo

The master logo in black and red is placed in the upper left-hand corner and left-aligned with the window. The Q-Park office address, postal code and town are printed immediately below the logo on one line as it may not interfere with the addressee.

[Left lined with the Q of the Q-Park logo]

In the downloadable templates you can switch off the window layer for plain envelopes without windows.

Address

For the address use Futura T 9/auto
