## Parking facilities as advertising podium

Q-Park, commercial partners and third parties may use the Q-Park parking facilities as a podium for commercial messages. This can be in many formats, for example: billboards, triangle boards, posters, product sampling, parking marked cars.

## The rules are:

- I Our brand identity and quality standard are our top priority. Additional revenue is of secondary importance.
- Q-Park has a quality standard for advertising frames.
- We do not want media carrier overkill, we look for the best places without hindering customers.
- Media carriers may only be placed in pedestrian zones.
- No advertisements are permitted at the parking facility entrances or exits.
- We do not advertise on the access and exit barriers.
- We do not permit posters or other expressions without frames.
- I The marketing manager of each Q-Park country bears final responsibility for the advertising project. They negotiate the contract together with the country managing director.
- I The real estate manager bears final responsibility for placing and maintaining the advertising frameworks.
- I We work with preferred suppliers and media partners on a European-wide basis.

# Other locations, special formats and concepts

Special locations such as off-airport parking, train stations (P+R), and motorway locations must be negotiated with Q-Park representatives. These projects are complex in nature due to other contractual commitments and political or environmental
