The business card should contain the following information:

- | name
- | job title
- | PO box address (post address)
- | address (visiting address)
- | country
- | office telephone number

- I mobile phone, if applicable
- I e-mail address, if applicable
- I URL of the country website

vCard QR Code

This information may also be added on the reverse of the business card as a QR code, which contains **the business card details as a vCard**. The QR code offers convenience as a smartphone adds the details automatically as a contact.
