GLOSSARY	124

Internal signage

- I Colours red & green contrasting with the neutral colors of the parking facility.
 - I Red signage with white lettering/ picto's for motorised vehicles.
 - I Green signage with white lettering/ picto's for pedestrians.
- I Signage suspended under ceiling or mounted against walls clearly visible, free from obstacles.
- I Clearly separated in case of different directions.

Pedestrian entrance

- | Clear visible signage guiding the customer back into the parking facility.
 - | Illuminated blue P sign including car park name.
- | A door reader combined with intercom at the entrance door for safety and exclusive use of the customer.
- | Payment options clearly visible in pedestrian areas.
- | Solid and standard materials & finishes in stairwells and lift lobbies.

Typical house style elements

- | Brand wall with Q-Park logo & parking facility name at the car entrance.
- | Level indication and etching foil on glazing at the location of the stairwells for good recognisability.
- | Distinguished lighting in these areas by using circular LED light fittings.
- | Steel grid walls for separation of ancillary accommodations (f.e. bicycle or storage areas).
